

# CERT NEWS LETTER

February 2015

**CERT'S EVERBRIDGE ALERT** system will initiate a call to your phone that **may sound like a telemarketer**. The recorded caller may start with: **“This is a message from your organization...”** The phone number calling is **555 555-5555**. When you receive this phone alert, the call will direct you through some simple instructions to hear the alert message. Once you acknowledge the call from any format, whether telephone, cell phone, e-mail or text, the system presumes you have been notified and will stop all further attempts to reach you.

**DO NOT TRUST THE DATES ON YOUR BATTERIES!** In checking my emergency supplies, I noticed some of my batteries were leaking. Take a close look at the date of 2018. **These batteries failed and leaked 4 years prior to the expiration date shown.** Check your supplies often.

*Santa Cruz, CA Tsunami, May 2011*

**THESE LOCAL PHOTOS** show flooding in Carmel and a Tsunami striking the Santa Cruz Harbor. Both these local events caused millions of dollars in damage and a terrible emotional cost to the victims. **KNOW YOUR NEIGHBORHOOD!** If you live in a coastal area, such as the Old Town, Oak Grove and Beach areas of Monterey, Pacific Grove and Carmel, you're in a potential tsunami zone. Living near rivers and lakes, such as the Mission Fields area of Carmel, or near Roberts Lake in Monterey, can subject you to flooding. Make sure you plan accordingly.

**WE'RE MISSING A RADIO** from the December storm deployment. If you were given a radio on December 11<sup>th</sup>, please double-check to make sure it is still not accidentally in your possession. Thanks!

**CONTACT YOUR TEAM LEADER:** If you have not already done so, contact your team leader and meet them at your neighborhood CERT container. Make sure you know how to find the container and are familiar with the inventory.

**REMEMBER:** After an emergency such as an earthquake, storm or other potential disaster when all forms of communication are absent, when the power is out and telephones and cell phones don't work, secure your family, immediate neighbors and then, if you are able, report to your neighborhood CERT container. Using our radio system, CERT is the primary eyes and ears to the City on what's happening in the neighborhoods. We will form teams and proceed into the neighborhoods to *"DO THE MOST GOOD FOR THE MOST PEOPLE .....*" CERT provides an excellent video at this link: <http://www.youtube.com/watch?v=KwV3e1Xfif0>
